

Remarks

This responds to the Notice of Non-Compliant Amendment dated October 5, 2004.

Applicants hereby resubmit claim 159 as requested by the Patent Office.

Applicants recently noted that FIG. 1 did not appear to be included with the application passed to allowance by Examiner Lawrence. Applicants therefore filed an RCE to amend the application to include FIG. 1.

Applicants also filed the RCE for consideration of new claims 258-264. These claims were presented originally in applicants' Amendment after Final, filed on March 14, 2004. These claims were not allowed. Applicants believe they are entitled to have such claims issue from the present application.

Claims 73, 74, 76, 79, 82-89, 91, 98, 100-110, 122-127, 159-166, 172-174, 178, 184, 188 and 190-257 were allowed previously, these claims still are in condition for allowance, and such action is respectfully requested. Applicants also request allowance of new claims 258-264.

The Patent Office is invited to call the undersigned if there are any questions concerning this amendment.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
